Project title: GIZ- AfCFTA
Project N°: 20.2208.5-010.00
Process N°: 83439074

All copies of the bid must be submitted in hard copy using the above-referred addresses, **(See page 1)**. No remuneration will be paid by GIZ for preparing the bid.

Subsequent corrections or modifications to the bid can be submitted until the deadline for submission and must be made in the same form as the bid and marked with the additional word of **“Correction”**.

The bid must be based on the General Terms and Conditions of the Contract ('Terms and Conditions local', Annex 3) for supplying services and work on behalf of the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH. In the event of an award of contract, they will become an integral part of the contract. The bidder's general terms and conditions of business or payment do not apply.

If you are forming a bidding consortium or association, the bid must show who the members are and how the work is divided between them. Specifically, all members must name the lead member and authorize this member to represent the association and to receive payments on behalf of the other members. The members must also acknowledge joint and several liabilities for performing the contract. A corresponding written authorization must be attached to the bid.

Content of the technical offer

The technical offer submitted must contain a detailed methodological concept in accordance with the Terms of Reference (ToR) which allows technical evaluation in terms of the objective of the measure.

The offer shall be submitted in the language of the tender documents.

The technical offer may not include any price information. Non-compliance may result in your bid not being considered.

Content of the price offer

The price offer must contain the fee as stated on the Terms of Reference (ToR) in local currency (ETB). Please see the attached Terms of Reference for details of the quantities required.

Please calculate your prices on a net basis.

Evaluation of Offer

After the final technical evaluation (cf. Assessment Grid for the Technical Evaluation of Bids, Annex 2), only the price offers of bids with at least 500 points will be opened and evaluated. Technical offers below 500 points will be considered technical and not acceptable. The technical offer has a weighting of 70%, the price offers 30%¹

The evaluation of the bids is scheduled to be completed by **Friday, June 30, 2023**.

The final result is an overall ranking, headed by the most economical bid. Contract negotiations will be initiated on the basis of this overall ranking.

Commencement of work

The work is scheduled to commence on **15.07.2023**. Your bid is binding until that date. If you do not receive the order in writing until that date, your bid has not been accepted. You shall not receive separate notice to this effect.

Yours truly,

Contract Officer
