
service works of dismantling partitions and other wall mounted items from Bloom Tower 9th floor transport to GIZ Country Office. PN 94.9064.0-001.00

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH Office in Ethiopia, would like to invite and select financially viable company to get the services of a provider who has experience with different organizations to take over dismantling glass partitions and other wall mounted items from Bloom Tower 9th floor transport to GIZ Country Office store. The time frame will be from March 15, 2023, up to March 25, 2023.

Background

The GIZ Addis Ababa office is an Inter-Governmental Office, which is running on the basis of the bilateral agreement entered between the Federal Government of Germany and the Federal Government of Ethiopia for Technical and Development Cooperation in Ethiopia. GIZ is the representative office of the German Government Agency working in Ethiopia for the implementation of GIZ Programs and Projects throughout the country in accordance with the bilateral agreement.

The GIZ Addis Ababa Office would like to grant the dismantling glass partitions and other wall mounted items from Bloom Tower 9th floor transport to GIZ Country Office store to a vibrant, diligent and responsive service company with relatively high performance in experience.

Therefore, GIZ Office Addis Ababa invites eligible and competent company provider to bid and issue their Financial Offers along with their respective Construction License and related documents as a supporting document.

Scope of service

1. Dismantling partitions and other wall mounted items from Bloom Tower 9th floor transport to GIZ Country Office store Tasks include
 - Dismantling glass and aluminum partitions
